

Pages VS Modules

The website has 2 main levels: *"Pages" level and the "Module" level.*

Pages will go across the top of your webpage making it similar to chapters in a book.

Modules will go down the left hand side of the webpage and are used to give extra information or topics to the Pages.

NOTE:

Each Page can have many MODULES

Maximum Pages are 8 with the titles being no longer than 10 characters (including spaces)
